

"FREEZOR" ELECTRIC FANS.

Ceiling Type for Direct Current

The efficiency of "FREEZOR" Ceiling Type Fans in tropical climates has promoted a growing demand for their use in this country. To cater for this increasing business, the G.E.C. have developed the manufacture of their well-known "KOOLAH" Fan on an extensive scale, and can offer Contractors the advantage of immediate deliveries in any quantities.

NOISELESS, ECONOMICAL, EFFICIENT, ARTISTIC.

The "KOOLAH"

Patent No. 3918/1911.

Manufactured throughout at the G.E.C. "FREEZOR" Fan Works, Witton, Birmingham—the largest works of its kind in the United Kingdom.
