EXTRACTOR FAN

Air excluder attachment
(optional extra) price 15/- **92¹/₆**
Fully Guaranteed

Bedroom, bathroom, kitchen, lounge—you can increase the comfort of every room in your house, reduce condensation, steamy walls and windows, with the Min-Ex Extractor Fan. Easy to fit in window or wall. Reasonably priced because it is British made and you buy it direct from the manufacturers.

Powerful 25 watt motor. Properly designed baffle ensures constant extraction rate, prevents draughts.
