

"VENT-AXIA" IN ACTION

Here's the fellow you knew in peace-time, up to his ears in war-work. From ventilating domestic kitchens and bathrooms he has gone to the factories and shelters—in action 24 hours, day and "black-out." He's up in the windows, skylight or walls, waging war on fog. From £5. Very quickly fitted, Lightproof, Silent. Ask your electrical people about him or ask VENT-AXIA, LTD., 9 Victoria Street, London, S.W.1. 'Phone: ABBey 5168. List P201 will tell you all about him.
