XPELAIR

DRAUGHT-PROOF VENTILATION

Reduces condensation

Clears cooking smells

An Xpelair in the kitchen reduces condensation . . . cuts decorating costs. The Xpelair removes cooking smells, gives quick relief from tiresome heat. Its shutter seals out draught when the fan is switched off. The fan switch is built in, no separate switch needed.

PRICES: WITH SHUTTER FROM £11.3.0
WITHOUT SHUTTER FROM £8.0.0

*See the Xpelair at all good electrical suppliers
or write for pamphlet G.H.*
