

April—May, 1956

**NO MORE
COOKING
SMELLS
ROUND
MY HOUSE**

Her home never smells of cooking. Her kitchen walls are never streaming. Hot, steamy air and odours are whisked away by Xpelair, the draught-proof extractor fan that's easily fixed in any window or wall. An inbuilt iris seals out cold air when fan is off. Attractive domestic model in cream and black—uses less current than a reading lamp!

See it at your electrical contractors or Electricity Board Showrooms. Or write for illustrated leaflet to the address below.
